Village Discount Golf Car 10 year service assurance program for mechanical breakdown (year 6 through 10).

This program is quite simple. Born as an extension of our commitment to our customers and our endeavor to give you piece of mind. Village Discount Golf Car has your best interests at heart.

Service Assurance will automatically begin when any covered part under mechanical warranty breakdown falls out of stated warranty coverage.

Instead of a customer having to pay retail price for mechanical breakdown of a covered part, the customer will pay our wholesale cost plus shipping, whether it is an OEM, remanufactured, or even a used part.

Also, instead of customer having to pay \$60 \$70 or even \$80 per hour in labor to repair a mechanical breakdown, Village Discount Golf Car will only charge our customers our internal labor rate cost of \$30 per hour to fix a covered part. It is our pledge at Village Discount Golf Car to get you back on the road as inexpensively as possible. Service assurance program begins at date of purchase, has no dollar value, is only valid to original purchaser, nontransferable.
